**To book or for more information call Experience Oregon at 541-342-2662
ADDITIONAL ROSE BOWL INFORMATION**

The pep rally was scheduled for the 30th so we will not be down there early enough to attend this event.

December 30th

We are planning on stopping for lunch in Yreka California and then to arrive at the hotel in Sacramento by 5:30pm. There are a few food choices within walking distance and a few other points of interest around the hotel. The hotel has indicated that the Stonebrook Diner (Similar to IHOP or Denny's) and the Coyote Junction (a Mexican Restaurant) is within walking distance of the hotel. You can also order takeout from the comfort of your hotel room (menus are in the room). The hotel is 1 mile from downtown Old Sacramento. Old Sacramento has lots of shops and restaurants and has a tunnel that leads to the downtown mall.

December 31st

We are scheduled to arrive at the hotel around 4pm on the 31st. Per the hotel, there are tons of restaurants near the hotel. Outback Steak House, Chili's and the Spaghetti Factory were ones that she named specifically that were close. Great adventures is only 3 miles away I'm told.

January 1st

Because of logistics we are not able to provide bus transportation to the Rose Bowl parade. Both buses will be departing at 8:30am and making a stop at the UO tailgate before taking the remainder of the passengers to the Rose Bowl itself. After being dropped at the tailgate you will need to find your own way to the stadium. The buses are leaving the Rose Bowl parking lot one hour after the game.

LUGGAGE NOTE:

Bring all your luggage to the bus every morning. We will not be returning to any of the hotels so make sure you have everything with you before we depart.

Additional Pickup Before ShopKo Departure:

Another bus will be doing shuttle pickups on December 30th as follows.

6:15 am: Willsonville Albertson's at exit 283

6:45 am: Salem Airport

Additional Pickups After ShopKo Departure:

Grants Pass: Exit 55 Taco Bell by Wal*Mart

Medford: Pilot Truck Stop in Central Point
